

SUSTAINABLE
URBAN
FORESTS
COALITION

About SUFC

- The **nation's only network** of nonprofits, businesses, associations, foundations and others working together to **advance sound, effective urban forestry policy and practices.**
- **Mission: Convene and mobilize** this diverse network of national organizations to **foster thriving communities** through **healthy urban and community forests.**

About SUFC

Policy and Guiding Principles

The SUFC member organizations are united to:

- 1. Increase tangible support** for urban forests on a national and local level.
- 2. Educate diverse audiences** (from policymakers to the public) about the value and need for healthy urban forests.
- 3. Network and leverage resources** and knowledge among member organizations.
