

FAMILIES' CLUB KIT

The **NATURE EXPLORE FAMILIES' CLUB KIT** contains everything you need to start a club of your own! This kit arrives with a printed copy of each item listed below as well as a CD with each item on it for easy reproduction. Some of the forms on the CD are in an editable format so they can be customized to fit your needs.

Your kit includes...

Families' Club General Information

- √ A concise description of the program to share with others.

Facilitator's Guide

- √ Overall information and tips to help you get your group off to a great start.

Families' Club Announcement

- √ An information sheet to introduce the Nature Explore Families' Club program. It can be placed in a newsletter and/or sent home to families.

Registration and Photo Release Form

- √ A customizable sheet to send home for families to sign up for your club.

Families' Club Monthly Flyer

- √ A sheet that can be customized each month to let families know about upcoming events and books to read at home to enrich each activity.

Press Release - Media

- √ A sample press release to send to the media to announce your Families' Club to the community.

Calendar of Family Activities

- √ A suggested sequence of Adventure Activities that follows seasonal changes for ease of use. You are encouraged to choose the order that works best for you.

Sign-In Roster

- √ A form to keep track of attendance and contact information for each family.

9 Adventure Activities

- √ A visual activity sheet for each month's adventure. Print at least one per family. These sheets are most effective when copied in color, but adaptable to printing in black and white.

9 Facilitator's Notes

- √ Tips for each month's adventure to make planning easy and fun!
