info@arborday.org

Dear Member,

Thank you for contributing to the Arbor Day Foundation and for sharing our mission to inspire people to plant, nurture, and celebrate trees. Please enjoy these free shrubs as a sign of our appreciation.

Your shrubs have arrived in a bundle; please separate them before planting. Included is a guide to help ensure proper planting conditions. Complete planting and transplanting instructions are in the enclosed *Tree Planting Guide*, and more information is available online at arborday.org/plant or by scanning the QR code below.

Because we want your planting experience to be successful, your shrubs are guaranteed to arrive healthy and to grow, or they will be replaced within one year of shipment.

If you need further assistance, please contact Member Services at info@arborday.org or 888-448-7337.

Best regards,

The Arbor Day Foundation Team

SWEETSHRUB *Calycanthus floridus*

The fruit-scented **sweetshrub** is a welcomed addition to any garden. The lovely reddish-maroon flowers begin appearing in May, and a strawberry-banana-pineapple scent fills the air. This shrub works especially well in shrub borders or around outdoor living areas.

Number of Shrubs: 5

Mature Height	6'–9'
Mature Canopy Spread	6'–12'
Growth Rate	Slow (less than 13" per year) to Medium (13"–24" per year)
Sun Preference	Full Sun, Partial Shade
Soil Preference	Acidic or Alkaline, Moist, Rich, Sandy, Well-drained
