Reserve your booth and come celebrate with us

During last year's Arbor Day LNK event, families, friends, and neighbors came out to celebrate the power of trees and what they mean to the community. We're building on that momentum and energy for next year's Arbor Day LNK with a free, fun-filled afternoon of activities, educational opportunities, and free trees. It's a chance for the community to connect with local businesses and build bonds that truly make Lincoln a great place to live.

“Because of the Arbor Day LNK event and the wonderful families who attended, we were able to bring 60 bikes to two different schools and a local autism group. Thank you for giving us a forum to let the community know what we do and have them be involved.”
