# Information About Your 10 Flowering Trees 387 Important Lilacs N

888-448-7337 info@arborday.org

### Dear Member,

Thank you for contributing to the Arbor Day Foundation and for sharing our mission to inspire people to plant, nurture, and celebrate trees. Please enjoy these free trees as a sign of our appreciation.

Your trees have arrived in a bundle; please separate them before planting. Included is a guide to help identify your plants and ensure proper planting conditions. Complete planting and transplanting instructions are in the enclosed *Tree Planting Guide*, and more information is available online at **arborday.org/plant** or by scanning the QR code below.

Because we want your planting experience to be successful, your trees are guaranteed to arrive healthy and to grow, or they will be replaced within one year of shipment.

If you need further assistance, please contact Member Services at info@arborday.org or 888-448-7337.

Best regards,

The Arbor Day Foundation Team

### **SARGENT CRABAPPLE** Malus sargentii

#### Number of trees: 2 Bark ID color: PURPLE

Profuse clusters of small, white, fragrant flowers in spring are followed by 1/2" red berries that persist into winter and attract birds. New leaves are light green, later turning a darker green.

White spring flowers are followed by 1/4" red fruits that stay on the tree into winter. Thorny stems produce reddish-purple leaves that change to dark green in summer, then to orange, scarlet, or purple in fall. This tree has a
