## AFFORDABLE PRICING

This conference is priced to encourage members from all types of community forestry organizations to attend. The sooner you register, the lower the cost.

August 21–October 13

\$399

October 14–November 8

\$429

Pricing includes: 2 continental breakfasts, 1 boxed lunch, 1 plated lunch, 3 breaks, field experience tour, networking reception (hors d'oeuvres and drinks), and conference materials.

## CEUs AVAILABLE

By attending this conference you can earn the majority of International Society of Arboriculture Continuing Education Units you need for the year.

## NETWORKING AND IDEA SHARING

This conference offers countless networking opportunities and the chance to connect with various groups involved in community forestry. You will also be able to benchmark and collaborate with other industry leaders and learn from what they are doing in their communities.

## PARTNERING EVENTS

Other forestry events are being held on Monday, November 5 and Tuesday, November 6 in the same location:

- The Fourteenth Meeting of the Continental Dialogue on Non-Native Insects and Diseases
- Alliance For Community Trees Day
- Society of Municipal Arborists' 54<sup>th</sup> Annual International Conference and Trade Show

This means you can easily and cost-effectively attend multiple events at one destination.

## WHAT OTHERS ARE SAYING

"It's the best event of the year! From networking, to updates on current projects, from vendor interactions to mandatory fun (reception) nights — and especially the tours to see what other cities are doing on the ground — so worth it and so much fun!"

—KIMBERLY BALLARD  
Maine Forest Service

"Vibrant conference bringing together the best of urban forestry nationwide!"

—STEPHEN HARRIS  
Syracuse Department of Parks

"The Partners Conference changes people, changes programs, and changes communities. It is THE place to be."

—STEVE GRANTHAM  
Up With Trees

"The premier urban and community forestry conference in North America. Excellent networking opportunities. The conference keeps improving each year."

—KEITH CLINE  
Society of Municipal Arborists
