Section 8. Spacing
The spacing of Street Trees shall be in accordance with the three species size classes listed in Section 7 of this ordinance, and no trees may be planted closer together than the following: Small Trees, 30 feet; Medium Trees, 40 feet; and Large Trees, 50 feet; except in special plantings designed or approved by a landscape architect.

Section 9. Distance from Curb and Sidewalk
The distance between trees may be planted from curbs or curblines and sidewalks will be in accordance with the three species size classes listed in Section 7 of this ordinance, and no trees may be planted closer to any curb or sidewalk than the following: Small Trees, 2 feet; Medium Trees, 3 feet; and Large Trees, 4 feet.

Section 10. Distance from Street Corners and Fireplugs
No Street Tree shall be planted closer than 35 feet of any street corner, measured from the point of nearest intersection of curbs, curblines. No Street Trees shall be planted closer than 10 feet of any fireplug.

Section 11. Utilities
No Street Trees other than those species listed as Small Trees in Section 7 of this ordinance may be planted within 10 lateral feet of any overhead utility wire, or over or within 5 lateral feet of any underground water line, sewer line, transmission line or other utility.

Section 12. Public Tree Care
The City shall have the right to plant, prune, maintain, and remove trees and shrubs within the lines of all streets, alleys, avenues, lanes, squares and public grounds, as may be necessary to insure public safety or to preserve or enhance the symmetry and beauty of such public grounds. The City Tree Board may remove or cause to be removed, any tree or part thereof which is in an unsafe condition or which by reason of its nature is injurious to sewers, electric power lines, gas, water lines, or other public improvements, or is affected with any injurious fungus, insect or other pest. This Section does not forbid the planting of Street Trees by adjacent property owners providing the selection and location of said trees is in accordance with Sections 7 through 11 of this ordinance.

Section 13. Tree Topping
It shall be unlawful as a normal practice for any person, firm, or city official to top any Street Tree, Park Tree, or other tree on public property. Topping is defined as the severe cutting back of limbs to stubs larger than three inches in diameter within the tree's crown to such a degree as to remove the normal crown and disfigure the tree. Trees severely damaged by storms or other causes, or certain trees under utility wires or other obstructions where other pruning practices are impractical may be exempted from this ordinance at the termination of the City Tree Board.

Section 14. Pruning, Corner Clearance
Every owner of any tree overhanging any street or right-of-way within the City shall prune the branches so that such branches shall not obstruct the view of any street lamp or obstruct the view of any street intersection and so that there shall be a clear space of eight feet (8') above the surface of the street or sidewalk. Said owners shall remove all dead, diseased or dangerous trees, or broken or decayed limbs which constitute a menace to the safety of the public. The City shall have the right to prune any tree or shrub on private property when it interferes with the proper spread of light along the street from a street light or interferes with visibility of any traffic control device or sign.

Section 15. Dead or Diseased Tree Removal on Private Property
The City shall have the right to cause the removal of any dead or diseased trees on private property within the city, when such trees constitute a hazard to life and property, or harbor insects or disease which constitute a potential threat to other trees within the city. The City Tree Board will notify in writing the owners of such trees. Removal shall be done by said owners at their own expense within sixty days after the date of service of notice. In the event of failure of owners to comply with such provisions, the City shall have the authority to remove such trees and charge the cost of removal on the owners property tax notice.

Section 16. Removal of Stumps
All stumps of street and park trees shall be removed below the surface of the ground so that the top of the stump shall not project above the surface of the ground.

Section 17. Interference with City Tree Board
It shall be unlawful for any person to prevent, delay or interfere with the City Tree Board or any of its agents, while working in and about the planting, cultivating, mulching, pruning, spraying, or removing of any Street Trees, Park Trees, or trees on private grounds, as authorized in this ordinance.

Section 18. Arborists License and Bond
It shall be unlawful for any person or firm to engage in the business or occupation of pruning, treating, or removing street or park trees within the City without first applying for and procuring a license. The license fee shall be $25 annually in advance; provided, however, that no license shall be required of any public service company or City employee doing such work in the pursuit of their public service employment. Before any license shall be issued, each applicant shall file first evidence of possession of liability insurance in the minimum amount of $50,000 for bodily injury and $100,000 property damage indemnifying the City or any person injured or damaged resulting from the pursuit of such endeavors as here described.

Section 19. Review by City Commission
The City Commission shall have the right to review the conduct, acts and decisions of the City Tree Board. Any person may appeal from any ruling or order of the City Tree Board to the City Commission who may hear the matter and make final decision.

Section 20. Penalty
Any person violating any provision of this ordinance shall be, upon conviction or a plea of guilty, subject to a fine not to exceed $_____.
