A neglected
shade tree

The work of a poorly chosen
"tree expert"

The work of a
competent arborist

Around the home or along the avenue, trees are one of our most valuable assets. They are also a long-term investment.

Like any investment our trees require careful decisions and the occasional advice and service of a professional. In the world of trees, arborists form the cadre of specialists who can safeguard your trees and save you from the long-term consequences of their neglect or the wrong decision. In this issue, learn how you can judge when to call an arborist and how to select the right one.
